

Clover Preschool News

January 2023

This Month: HAPPY NEW YEAR! The month of January is traditionally our Winter themed month! We have lots of exciting winter activities planned! Letters to Learn: Jj is for January, Ss is for Snowflake, Ww is for Winter, Mm is for Mitten, Hh is for Hat, and Pp is for Penguin.

Housekeeping Items:

- Please make sure that your child has warm clothes for outside play. We do go out if the temp is above 15 degrees even if it is just for a short time. Please LABEL everything! WARM MITTENS PLEASE 😊
- Boots are kept in the clear bin inside the classroom cubbie area as well as hats and mittens in the blue box. Everything else will be kept in your child's larger cubbie in the cubbie room. This helps children find their things when they all have a place 😊

Dates to Remember:

- Monday, January 2nd Closed to Observe New Years Day
- Early Closing (Staff Professional Development) Wednesday, January 4th at 4pm.
- Monday, January 16th the center is CLOSED to observe Martin Luther King Jr. Day
- Monthly Birthday Pizza Party; Tuesday, January 17th Happy Birthday Alex!
- Be sure to check our Brightwheel app daily for reminders, updates, photos!

Thank you so much for your patience and understanding as we continue to navigate these crazy times we are STILL living in! The children have been pretty amazing through it all, especially these last few weeks wearing masks again. We appreciate your understanding and are hopeful things are getting better! We really want to be able to visit with our Grand-friends again soon! Influenza continues to be on the rise and I have been told that it is something that you can get again. It is recommended that children get their flu shot if they have not done so already.

Thank you for sharing your most precious possessions with us! We are truly blessed to be able to work with such amazing and supportive families. We wish you all a safe and happy new year!

Warmly, Ms. Kim, Ms. Amy, Ms. Asia and Ms. Becca!!!! Please join me in WELCOMING Ms. Becca!!! 😊
