## MARCH 2023

**This Month:** We will begin the month with a unit on Dr. Seuss a well-known children's author! March is also healthy bodies month. We will be learning all the ways to keep our bodies healthy, from going to the doctor, the dentist, exercise and eating! March is a great time to update your child's health records if you have not done so recently, immunization records can be faxed to 207-782-3023 Attn: Preschool. Attached is a medical records form for you to fill out and return, please remember to sign the bottom. 😊 We are making sure everything is up to date in anticipation for our Spring state licensing inspection. And lastly, we will be spending a lot of time this month getting ready for the Week of the Young Child April 3-7.
